## **Sustainability Assessment Symposium 2010 Towards Strategic Assessment for Sustainability 25-26 May, 2010 Esplanade Hotel, Fremantle, Australia**

---

### **Sponsorship Invitation**

**SAS2010: Towards Strategic Assessment for Sustainability** is an interactive forum for sustainability assessment practitioners. Reflecting trends in the Western Australian and Australian regulatory environmental impact assessment processes towards strategic assessment, **SAS2010** will take stock of recent trends and developments in this rapidly evolving field.

The contribution of **sponsors** will enable the involvement of a diverse range of national and international speakers along with local experts in SAS2010, significantly adding to the richness of the Symposium discussions and the value for members of your organization.

*Sponsors will receive exposure to a diverse audience and other significant benefits*

---
